LEAHI HOME OPERATED AT LOSS OF \$3018.47 IN 1913, SAYS REPORT

Unless Deal Is Made with City Will Be Unable to Take All Tubercular Patients

That the Leahi Home operated at a loss of \$3,018.47 during 1913 was one of the numerous facts brought out in the report of A. W. T. Bottomley, treasurer of the board of trustees of the institution, at the annual meeting of the organization yesterday afternoon. The report showed that the income derived by the home from various sources amounted to \$35,421.75, while the expenditures were \$38,440.22, thereby leaving a deficit of \$3,018.47.

Beside the reading of reports, two trustees were elected, A. A. Young and E. A. R. Ross being named to succeed George Davies and George P. Castle. Frank C. Atherton, president; Montague Cooke, vice president; C. H. Atherton, auditor, and A. W. T. Bottomley, treasurer, constitute the remaining trustees, and the board will meet at an early date to elect officers to serve during the coming 12 months.

The broad scope which the Leahi Home has covered during the past year was pointed out in Mr. Bottomley's report, which contained many interesting figures and statistics. One important fact brought in the report follows:

"A communication has been sent to the county suggesting that they agree for six months to pay for all free patients at the home in excess of fifty-three at the rate of \$1.50 per day, and it is sincerely to be hoped that some arrangement of this nature can be come to. Otherwise there will be no place in which the incurable or tubercular cases of the city can be taken care of, as the home will be compelled from lack of funds, to continue its

policy of refusing all free cases in excess of fifty-three, unless additional assistance can be obtained."

According to the report, the balance sheet of the Leahi Home as at December 31, shows the assets to be \$286,602.55; liabilities, \$286,602.55; losses, \$3,018.47 and gains \$38,529.72.

The report of Dr. A. N. Sinclair, superintendent of the home, shows what the institution has done during the past year toward helping in the anti-tuberculosis campaign. In part, his report follows:

"A comparison of cases suitable for the tuberculin treatment (i.e., cases which are not too far advanced to expect improvement) show more favorable results than when the moribund and hopeless cases are included. Thus during the past year, eighty-nine such cases were treated, forty-one of whom remained in the hospital until the end of the year, making forty-eight completed cases with which to make a comparison with 1912.

Of these forty-eight cases, seven died, but many of them received but one or two injections when the treatment was discontinued, the evidence showing that they were hopeless cases. Only two showed no improvement, or one-half of one per cent, as against ten per cent in 1912.

"Eighty were discharged as apparent cures, or sixteen per cent as against thirty-three per cent in 1912," the superintendent having already emphasized this discrepancy by showing how many cases of apparent cures were being recorded as arrested. On the other hand, 28 or 58 per cent were discharged this year as arrested, as against 25 per cent (improve) in 1912. Or, taking the percentages of those made capable of earning a living in comfort and strength in the two years (the apparent cures and those improved) we find that in 1912 it was 59 per cent, while in 1913 it was 74.5 per cent."

ANNUAL MEETING OF THE Y.W.C.A. LARGELY ATTENDED; BIG SUCCESS

Women of Honolulu to the number of more than 200, representing practically every state in the Union as well as numerous foreign countries, gathered in the parish house of Central Union church last evening to attend the "States" dinner and the annual meeting of the local Young Women's Christian Association. In the midst of the jollification Mrs. B. F. Dillingham, Mrs. Walter F. Peart, Mrs. J. W. Wadman, Mrs. Ulrich Thompson, Mrs. H. M. Harrison and Mrs. Alexander Lindsay were announced as having been appointed to serve on the board of directors during the coming three years, and Mrs. T. H. Petrie for the two-year term.

It was the 13th annual meeting of the association, and it has been branded as the most successful and most enthusiastic ever held—due, perhaps, to the fact that 1913 was a most enlightening period for the organization, as it witnessed a marked advance in the work of all departments. Beside the women, several members of the sterner sex were present, the gathering being honored with the presence of Governor L. E. Pinkham, who took a seat among those hailing from Merrie England. The dinner, which always accompanies the annual meeting, was a little different this time, being a "States" affair. Honolulu women, claiming their birthplaces in the different states of the Union, of territories and of foreign countries, were present, each separate division of territory having its individual table. Hawaii had the largest number of representatives. Each table was prettily decorated and songs were sung, speeches made and yells given. Prior to the business meeting, an interesting musical program was rendered, those taking part being Mrs. Ernest Ross and Mrs. Frederick Reynolds. Scripture reading by Dr. Doremus Scudder and prayer by Dr. John W. Wadman opened the meeting.

The reports of the secretary, Mrs. Frank C. Atherton, and the treasurer, Mrs. A. Lindsay, were interesting as well as encouraging, especially from the standpoint that the financial condition of the association is flourishing. The report of Miss Margaret Christy Tupper, physical director, showed that at the beginning of 1913 the membership in the various classes was 161, and that at the end of the year it had grown to 372. Mrs. Eliza Cross Howard has materially assisted Miss Tupper during the past several months.

The cafe in the association rooms in the Boston building has done a flourishing business during the past 12 months, according to the report of

Miss Estelle Barnes, economic secretary. Meals to the number of 22,000 were served, besides 18,000 lunches. The boards of the Homestead now number 25. General Secretary Miss Esther M. Erickson, in an encouraging report, pointed out that a marked advance has been made in all departments of the association.

Governor L. E. Pinkham, when called upon for a few remarks, spoke of the splendid work which the Young Women's Christian Association is doing throughout the world, informing the local officials that he was ever ready to come to their assistance should the occasion arise. He warned them, however, against calling upon the government for money. Mrs. Thomas Gladding, formerly a national secretary and now a visitor in Honolulu, made a brief address which met with the hearty approval of those present.

With the singing of "Auld Lang Syne" the meeting broke up at a late hour and those officials who have handled the association's work so successfully during the past year received the well wishes of those present for another encouraging period.

IF CHILD IS CROSS, FEVERISH AND SICK

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages, and for grown-ups, plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt—advertisement.

JEFF McCARN SAYS THE COUNTRY-BRED BOY HAS ADVANTAGE OVER CITY

"The city isn't a safe place for a boy, on an average," said Jeff McCarn, U. S. district attorney, in his address at the Young Men's Christian Association last evening. Mr. McCarn took for his subject the question, "Is the Young Man Safe?" and dealt with the various problems of city life as they affect young men.

"Why does the country born boy hold 85 per cent of the leading business positions in our large cities? It is because he is better able to carry his burdens like a man. He has not been forced to grow up in an environment of dives and vice such as exists in our cities. The way to make a man safe is to let him grow up in a safe environment."

We Use Common Sense In Selling Real Estate

The persons who entrust the sale of their real estate to the Hawaii Hochi are always protected from anything that would serve to depreciate its value or the value of the surrounding property.

Don't let your lots go begging for a purchaser! Here's an opportunity at hand to sell at a good profit legitimate values in real estate.

Hawaii Hochi, the leading Japanese newspaper, has the complete confidence of 90,000 Japanese in the territory. Their salesmen are in constant touch with and know the wants of the Japanese people.

Hawaii Hochi Will Sell Your Lots

Without trouble to you and charging ONLY A SMALL COMMISSION, the Hawaii Hochi will find a purchaser, after advertising your property absolutely without charge to you.

The Hochi Profits If It Sells: If Not, You Pay Nothing

There is nothing too large or too small for the Hochi to sell. The Hochi is in business to sell anything you want to dispose of. DON'T TAKE YOUR SECOND-HAND GOODS TO AN AUCTIONEER, BRING THEM TO THE HAWAII HOCHI.

too well acquainted with it. The man who is during is the man who gets caught. The city boy is forced to get too well acquainted with evil and vice so that his problems are harder and his burdens heavier.

"There has been a great hue and cry raised of 'Back to the Farm,' but there is no road back. One hundred years ago three men out of every hundred lived in cities, while today 40 men in every hundred are forced to live in towns. Industrial changes

have caused this and we must recognize the change in conditions and prepare to combat the evils it causes."

The large audience which greeted the speaker followed with intense interest his address and the illustrations he used. It was announced that next Thursday evening Colonel Beach of the 4th Cavalry, Schofield Barracks, will speak on the Santiago campaign.

Members and friends of the Y. M. C. A. who wish to go on the special excursion train to Schofield Barracks tomorrow morning should get word to the association office today without fail. The train will leave the city at 7:30 a. m., returning at 5:30 p. m. The garrison review of the 5000 troops by Governor Pinkham will be at 9 a. m. After the review there will be the monthly muster.
